It is not often that we allow ourselves to speak in praise of any of the patent medi-cines of the day, but owing to the many testicines of the day, but owing to the many testimonials of praise that we hear daily concerning McAlister's All-Healing Ointment, we must needs say that for ourselves we have never used or seen a medicine as in name so applicable as powerful a remedy. For Burns, Bruises, Scalds, tions, all diseases of the Skin, and Inflamations, we believe it has no parallel.
